Letter from the CEO

Dear Prospective Sponsor,

Join us for a lovely afternoon on **Sunday, May 18, 2025**, at the Capital City Country Club as Bond Community Health Center continues celebrating forty years of diligent, equitable, and compassionate service to the people of Leon and surrounding counties during **Bond's Annual Hats and Gloves Tea!**

Open to ladies and gentlemen alike, this occasion will unite our community's mission-driven members to uplift **Bond's mission to provide access to quality health care for all people in our community**, despite one's ability to pay.

This event promises an unforgettable experience of elegance and charm, and this year's activities will include a festive "Top Hat Fashion Show" in which guests will don their fascinating designs down the red carpet, hoping to be declared Bond's Top Hatter. Attendees will also appreciate a scrumptious buffet spread catered by Social Catering and Events, a thrilling silent auction, and live entertainment. The proceeds raised this year will benefit our community's families and children by expanding services at Bond's Women's Health and Pediatric Center.

For over 40 years, Bond has fulfilled its mission by providing primary and preventive health care for nearly 10,000 patients annually. Almost half of all patients cared for at Bond are uninsured and low-income. Funding from all government levels supports a small portion of what is required to care for uninsured patients; this is why your sponsorship is vital to Bond's continued success.

I extend the opportunity to support our mission by becoming a Hat and Gloves Tea Sponsor. You will receive generous recognition and benefits and the chance to connect with community leaders and influencers. More importantly, you will help individuals and families access quality health care.

Temple O. Robinson, MD
Chief Executive Officer
