35 Year Mission Hats and Gloves Tea

Sunday, May 19th

ABOUT BOND COMMUNITY HEALTH CENTER

For 35 years Bond has fulfilled its mission by providing primary and preventive health care for nearly 10,000 patients annually. Almost half of all patients cared for at Bond are uninsured and/or low income. Funding received from all levels of government supports a small portion of what is required to care for uninsured patients. **This is why your sponsorship is so important to Bond.**

ABOUT BOND'S 35 YEAR MISSION HATS and GLOVES TEA

Bond will host a hats and gloves tea in collaboration with community supporters to advance Bond's mission to **provide access to quality health care for all people in our community** and to celebrate the 35 years Bond has devoted to living this mission here in Leon County, Florida. Bond's 35 Year Mission Hats and Gloves Tea will provide an opportunity for partners to play a role in improving the health of individuals and families by giving back to their community health center. All proceeds will go towards providing quality health care to members of our community despite their ability to pay. The event will take place on **Sunday, May 19th**. Bond extends the opportunity to support its mission by becoming a 35 Year Mission Hats and Gloves Tea Sponsor.
